NUMBER 36

—Iberia Lodge No. 39, Knights of Pythias will in the next few days address a letter to each of its membership showing what material progress is being made both in increased membership and in the curtailment of certain fees that some of the members thought a little burdensome. Their Castle Hall will be free of all incumbrances about July 1st, 1911, and at no distant day improvements will likely be made to the property in keeping with the Elks and Masonic buildings, thus putting them on a par with the other Orders of the City. They have at present on their rolls 74 good active members with a promise of a large increase in the near future. The officers at present are Chancellor Commander, R. F. Hogsett; Vice Chancellor, Harry T. Hall; Master of Exchequer, Leopold Kling; Master of Finance, Luca V. Jennaro; Keeper of Records and Seals, Judge Robert Brown; Master at Arms, Courtland Compton; Inner Guard, Frank Bertram; Outer Guard, Frank Briganti; Master of Work, D. A. Dimitry; Grand Representative, Samuel M. Weil; Alternate, D. A. Dimitry; District Deputy, Leopold Kling; Chairman Finance Committee, D. A. Dimitry. The funds of the Widows and Orphans are ample to meet any demands likely to be placed upon it and the Lodge as a whole is in a very flourishing condition.
